

I am against the LPFM taking over FM stations. As I understand it, I may lose the radio programming I listen to on a daily basis. Air 1 radio station has been a blessing to me and my family. I was happy to find a station that I could listen to that had uplifting music without profanity, sex or violence. Air 1 is a station I can let my child listen to without worry. Furthermore, it would be an injustice not only to my child but the many other kids that listen to the music on Air 1 as opposed to someone like Eminem (However he spells it.)
